**RE: Phase I Environmental Site Assessment
300 Agri-Service Way, Kimberly, Idaho**

To Whom It May Concern:

Summit Environmental, Inc. (Summit) has been retained to conduct an environmental site assessment on the property at 300 Agri-Service Way in Kimberly, Idaho, Idaho (see attached aerial map). The Site is at a new address just issued by the City of Kimberly in September 2014. It is immediately east of 3450 E. and north of Kimberly Road (Highway 30), within the City of Kimberly area of impact. It is located in the Southeast ¼, Section 17, Township 10 South, Range 18 East, Boise Meridian, Twin Falls County, Idaho. The site is the future location of Agri-Service, an agriculture equipment sales and service business.

An aerial map with the site location indicated is attached for your assistance. If you have any questions about the site location please, contact Summit at 208.377.2900.

We would appreciate any available information your office might have regarding environmental contamination at the sites, or any nearby properties that may impact the sites. Information regarding any area or regional environmental concerns that may potentially impact the sites would also be beneficial.

Information pertinent to Summit's assessment would include, but not be limited to: chemical spill notifications, employee or citizen complaints regarding chemical management, noncompliance with environmental regulations (RCRA, CERCLA, etc.), leaking underground storage tanks, groundwater and drinking water information, sewer/septic and waste water information, or any current or past environmental investigations associated with this area.

Please call me at 208.377.2900 if you have any questions or need further information. A written response addressed to me prior to October 31, 2014 would be greatly appreciated. Please reference the site in your correspondence.

Sincerely,
Summit Environmental, Inc.
